**DEED RESTRICTION NOTICE**

**[17-T0101007]**

Dear Property Owner:

On behalf of the The Thicket at Cypresswood Community Improvement Association, we wish to advise you of an alleged violation of deed restrictions relative to your property, as referenced above. We have received resident complaints regarding the following condition as it relates to your property:

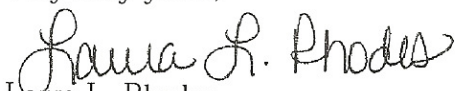

**No animals, livestock (pig,) poultry, repiles, or insects of any kind shall be raised, bred or kept on any lot.**

While it is neither the intention nor the desire of the Association to cause property owners expense or inconvenience, it is the responsibility of the Association to enforce the deed restrictions within the Thicket community for the benefit of all property owners. Typically, violations are not cited unless they are observed on two successive inspections. We are counting on your cooperation in correcting the alleged violation as soon as possible.

If you have questions in this regard, or if you need more than ten days to correct the problem, please contact us so that we can avoid further imposition.

Thank you in advance for your consideration.

Very truly yours,

Laura L. Rhodes

Managing Agent
